

2020 Virtual Summit Sponsorship

We are dedicated to empowering, improving, and elevating the chiropractic profession through our FREE day-long virtual seminar - open to tens of thousands of chiropractors around the globe.

It is also our passion to change the world we live in, by enabling non-profit organizations to fight for the lives and freedoms of those most vulnerable in our society - children.

We are committed to **DONATING 100% OF THE PROFITS** from sponsorship contributions to **Operation Underground Railroad** - dedicated to fighting child trafficking.

Event Date **Nov 14 '20**

Contact **Ardavan** to inquire about any of our sponsorship packages. The sooner you get involved, the more exposure you will receive!

Attendance

It is our first year of putting on the SUBLUXNATION Summit. That's why we've made it a requirement for all speakers to reach out to their base and invite them to attend. Furthermore, we are reaching out to over 10,000 chiropractors on our lists, through newsletters, Facebook Ads, Instagram Ads, Google Re-marketing Ads, and Paid Content to drive up registrations. We are estimating between 800 and 2,200 viewers.
